

Summary for Halebank Parish Council meeting 03rd April 2023

Report prepared for period covering from 06th March 2023 to coincide with the Halebank Parish Council meeting above and used incidents recorded from approximately one reporting month.

Apologies to all for the admin. error on the last report where I had not corrected the name (Hale Village instead of Halebank)

Hello again. I hope this report finds you all well. Remember this report is prepared for the Halebank area of our beat and the stats relate to this area only. PC 30465 Debra Jackson (Area Beat Manager) and I cover the areas of Ditton, Hale Village and Halebank and we try to be as visible as we can when duties allow. Our Sergeant is 3783 Phil Berry.

Debra and I will always try and be available for anyone on our areas to speak with and see the contact details below

I feel the area and incidents as a whole have improved from many perspectives including crime and anti-social behaviour. We are never going to stop such occurrences but, with your help we can reduce these even further. Please do continue to report policing concerns to us via the 101 number (999 for emergencies) or some can be done online at www.cheshire.police.uk

As is almost always the case there will be numerous reports covering a very wide range of topics called to the police by members of the public, businesses, partner agencies other police force areas etc. so we highlight those that we feel are more relevant.

We have a number of domestic incidents, abandoned 999 calls, sexual offences, vulnerable person's reports, "Concerns for" reports and Intelligence reports, traffic issues connected with the A562, Drugs intelligence reports. Most of these kind of reports may not be highlighted here and not detailed to protect person/s/data.

I deal with double and single yellow line restrictions, school zig zags, solid white lines etc. across a number of our roads and I am keen to enforce for everyone's safety. Visits to places of faith a visit attractions are also attended.

Speed enforcement was carried out on Halegate Road on the following dates and times

01st April 2023 from 1434 to 1524hrs with no activations

Speed enforcement was carried out on Halegate Road on the following dates and times

01st February 2023 from 16:07hrs to 17:15hrs with 1 activation – 36mph – I genuinely believe speeds have reduced over the last year or so at this location but will continue to enforce at different times and days. Halebank Road is the next on the list for enforcement at the time of writing.

Very pleased to report the Halebank Business Park have offered us a room to use as a base for any Halebank Residents to have an arranged chat with us, suggest once a month. There will also be the council or housing in attendance for private discussions. More details on this via the social media posts on Facebook "Ditton and Hale" or email me at any time for any updates or to enquire further.

Anyone with speeding concerns is encouraged to report such issues to us online – www.cheshire.police.uk (in the search bar type in "Speeding" and this will lead you to the reporting page).

Visits have been made to the public houses, Places of faith and schools. Farms and farmers are checked along with businesses.

Could I ask any residents on our areas if they could complete the "Residents Voice" surveys?

If you want to complete these anonymous (to road or street name) surveys yourself you can go to our main website www.cheshire.police.uk and type in "Residents Voice" then follow the options for the survey which takes about four or five minutes to complete.

It would be nice if you were able to follow us on "Ditton & Hale police" Facebook account as I often put updates and news on there. Please do not report crime incidents to us via Social media or email

We have an Alert system which, if you sign up via <https://www.cheshirepolicealert.co.uk> you can choose to receive important messages from us (or other agencies you agree to) you will only receive what you agree to.

If you are interested in setting up any community watch groups such as Homewatch or even those on social media groups such as WhatsApp or Facebook then get in touch with us.

Crime should be reported to the 101 telephone number (999 for emergencies) and some instances of less serious crimes can be reported online at www.cheshire.police.uk

I am able to arrange visits to any resident or business to discuss any police related issues and my email is Stephen.Marnick@cheshire.police.uk

We hope this report finds you well and remember if you have any concerns connected with policing on our areas make contact and we will do whatever we can to sort those issues for you.
